Personal Summary

I am a creative, perceptive, and entrepreneurial final-year undergraduate at the School of Art, Design, and Media at NTU with a passion for languages and the intersection of business and technology with art. With an academic background spanning Game Design, Visual Communication, and Interactive Media, I possess an understanding of creative practices, as well as skills in conceptualization, teamwork, and delivery of projects. I am committed to an innovative and impactful career in luxury.

Education

Bachelor of Fine Arts in Design Art, Nanyang Technological University, Singapore

Aug 2020 - May 2024
