Personal Summary

I am a curious and independent graduate of the School of Art, Design, and Media at NTU with an interest in languages and technology. Not content to settle in a single specialization, I broadened the scope of my capabilities to be multidisciplinary across Game Design, Visual Communication, and Interactive Media, and in other creative practices such as UX Design, as well as skills in conceptualization.

Education

Bachelor of Fine Arts in Design Art, Nanyang Technological University, Singapore

Aug 2020 - Dec 2024

Electives offered:

AB1301 Business Law, BU5201 Business Finance

Modules Audited:

CZ4042 Neural Networks and Deep Learning, CZ4045 Natural Language Processing

Certification:

Chinese Proficiency Test HSK Level 6 (Issued by Hanban in 2014)

Unity Certified Associate: Game Developer (Issued Jan 2022 · Credential ID UCA-156)

Test of Russian as a Foreign Language - Level B1 (Issued Apr 2024)

Work Experience

Game Designer Intern at Tatsu Works Pte Ltd

May 2023 - Aug 2023 (3 months)

- Led and presented the Concept Approval for NPC Shops and Settings features, which were approved by the Lead Game Designer to be added to the Game Design Document.
 - Raised 3 improvements to the Unity engine workflow which were then incorporated into the design of a revamped Unity quest editor tool, increasing efficiency in implementing quests and narrative.
 - Removed 12 bugs in a subsequent staged release of a game build by liaising with the engineering team and communicating how to reproduce bugs I found when QA testing a game build.
 - Researched Gacha games and trends in the game industry.
-
